

Access to Health & Human Services A Listening Session

Give Input On Healthcare in Your Community

Date: Wed. Feb 22, 2017

Time: 11am-12pm

Location: CSS Academy, 3732 Grand Blvd, Brookfield, IL 60513

The Community Memorial Foundation seeks to unite 27 west suburban communities under one Health and Human Services Agenda with one vision: to become the healthiest region in the country. To garner community input during this process, the Foundation is hosting a series of listening sessions with consumers, residents, patients, and clients.

- Listening Session participants will receive one \$20 Target gift card per family.
- The topics of discussion will focus on healthcare access, experience with health and human services, and assets and needs in the community.
- If residents have any questions about Community Memorial Foundation or our Health and Human Services Agenda, please do not hesitate to call Nan or Gale at 630-654-4729.
